## ANALYSIS

This is the second extension of time request for the proposed project. At the time of the first request the applicant had not moved forward with the project since approval. Since the first extension of time request the applicant has had a Tentative Map (TMP-15639) approved and is in the process of completing a drainage study. A traffic impact analysis has been completed. Approval of this request with a one year time limit is recommended, unless another extension of time is approved.

**Conditions of approval from SUP-1915:**

1. Conformance to all Minimum Requirements under Title 19.06.110 and the Town Center Development Standards Manual for a building taller than 12 stories in the Durango Corridor area of Town Center.
2. Approval of and conformance to the Conditions of Approval for Rezoning (ZON-1913) and Site Development Plan Review (SDR-1914).
3. This Special Use Permit shall expire two years from the date of final approval, unless it is exercised or an Extension of Time is granted by the City Council.
4. All City Code requirements and design standards of all City departments must be satisfied.

**FINDINGS**

Approval of the original Special Use Permit (SUP-1915) was granted on 05/07/03 with an Extension of Time request being approved on 03/16/05. This request for a second extension of time is deemed appropriate given the circumstances currently occurring on the subject property. Approval of this request is recommended.
